Freshness Farms @ Coyote Creek: A Build 25 Initiative

Programs and Features

559 Monterey Road Morgan Hill, CA 95037

As a part of the Build 25 Initiative. Freshness Farm at Coyote Creek will be part of an initiative for a county-wide job creation certification program run by the SJECCD's Workforce Institute and serve as one of 25 sites for teaching, training, and research. The project will be SITES certified farm that integrates agri-business with recreation and native habitat, utilizes regenerative water, soil, and energy practices that respect the land and existing ecosystems.

Income Generating Programs:

1. CSA Food Boxes & Farm Stand
2. Event Venue & Planning - flowers, food, music
3. Farm Tours, Teaching, and Training
4. U-Pick Row Crops & Orchards
5. Aquaponics - microgreens and salad greens
6. Animal Petting Farm
7. Overnight Stays & Intern Housing
8. Native and Perennial Edible Foods in hedgerows
9. Value-Added Products - made in barn kitchen
10. Container Plants - grown in greenhouse nursery
